

## **Special Measures for Festive Season Border Operations 2014/15**

It is that time of the year when holiday makers and migrants will be travelling through our ports of entry to their destinations to enjoy Festive holidays with an expectation of being processed without delay as they arrive at ports of entry.

Special measures have been put in place to ensure smooth facilitation of travellers as follows:

Extension of operational hours for certain ports of entry by the Department of Home Affairs is to enhance effectiveness and efficiency in relation to clearance of travellers and goods.

These measures are meant to ease congestion at ports of entry; and travellers are urged to be patient in this regard to ensure smooth facilitation or processing without delays.
